

PRESS RELEASE

Omega Nu Lambda Welcomes Saint Leo University Summer 2026 New Members

SAINT LEO, FL — Summer 2026 — Omega Nu Lambda (ONL), the national honor society dedicated exclusively to recognizing the achievements of online students, is proud to welcome the newest members from Saint Leo University.

These students have demonstrated outstanding academic achievement and a commitment to excellence while pursuing their education through online learning. Their induction into Omega Nu Lambda recognizes their hard work, perseverance, and dedication to their academic goals.

Omega Nu Lambda congratulates each of these outstanding students on this well-earned achievement. Membership in ONL recognizes the unique dedication required of online students as they balance academics with professional, family, and personal responsibilities.

We also extend our sincere appreciation to Nancy Cheek, Saint Leo University Chapter Advisor, for her continued support of Omega Nu Lambda and her dedication to recognizing the accomplishments of Saint Leo's online students.

Congratulations to the Saint Leo University Summer 2026 class of Omega Nu Lambda!
